Activities Signup

To sign up for the spare-time activities at the Machine Learning Summer School in Tübingen, please fill out the following form.

Please note: This sign-up is based on a *first-come, first-served* policy. If too many people sign up for an activity, we might have to remove people from the list. Since we don't know the maximum possible number for all activities in advance, we cannot guarantee a spot, even if you did successfully register here. Many thanks for your understanding.
